

Mountain Squirrel

Alpine Summer Planner from £149

The Alpine Summer Planner is for couples, families, friends, and active travellers seeking an stress-free summer mountain trip. It matches travellers to resorts and organises key details for a well-balanced experience.

*** Video Consultation + Full Questionnaire (45–60 mins)**

We go in-depth to build the right plan for you, including:

- * fitness level and experience
- * daily intensity (big days vs recovery days)
- * accommodation style and location
- * wellness priorities (spa, yoga, rest days)
- * activity focus (trail running / hiking / cycling / MTB)

*** Resort Matching (2–3 options)**

Based on your priorities, we recommend the best-fit Alpine locations across France, Switzerland and Austria.

*** Company Suggestions (Trusted Options)**

We'll guide you towards the right providers for your trip, such as:

- * accommodation partners / hotels / chalet companies
- * transfer companies
- * bike hire / guiding companies
- * wellness providers (spa / yoga / massage)
- * local activities and experiences

*** (so you don't waste time searching or risk booking the wrong thing)**

*** Travel Advice + Organisation Support**

We'll help you plan the trip properly, including:

- * best travel routes (fly vs drive)
- * airport choices + transfer timing
- * what to book early vs later
- * itinerary structure (adventure + recovery balance)
- * what to pack + what to bring

*** Summer Activity Plan (Adventure + Wellness)**

A clear outline of what to do while you're there, including:

- * hiking routes + mountain days
- * trail running camp-style route suggestions
- * road cycling climbs
- * MTB / bike park options
- * lakes + scenic rest days
- * yoga + wellness sessions
- * spa + recovery days

*** Local Recommendations**
